

A full-page photograph of a blonde woman with long, wavy hair, wearing a black sleeveless dress. She is standing with her left hand on her hip and her right hand holding a black clutch bag with a large gold ring detail. She is looking directly at the camera with a slight smile. The background is a light-colored wooden wall.

COMFORT WOOL STRETCH SUITING

55% Polyester | 43% Wool | 2% Elastane

- All the quality comfort features of wool combined with the durability of polyester and elastane for added stretch comfort.
- Save money on dry cleaning by machine washing at home (simple label recommendations – pants & skirts only).

Black

Charcoal

Navy

COOL STRETCH PLAIN SUITING

92% Polyester | 8% Bamboo Charcoal

- The workplace is an active environment with many demands placed on your garments – functionality, performance, comfort, wear and tear.
- BIZCORPORATES now introduces to the workplace the most comfortable easy care woven outerwear fabric which, through natural fibre application, presents performance features such as: quick moisture absorption, breathable, thermal regulating, bacterial resistant, removes odours and is crease resistant.
- This fabric is ideal for those active work places such as Hospitality and Healthcare.
- The COMFORT STRETCH component has been cleverly woven into the fabric to create a mechanical stretch.

Charcoal

Navy

COOL STRETCH PINSTRIPE SUITING

92% Polyester | 8% Bamboo Charcoal

- This fabric is exactly the same as the above Plain Suiting but has a pinstripe feature.
- The concept of a similar background colour for the plain and the pinstripe creates an opportunity for any business to mix and match a coordinated theme in the work environment, providing great flexibility when planning a range for your business.

All shirts, blouses and knitted tops used in this catalogue are from BIZ COLLECTION.

MEASUREMENT SIZE GUIDE

The body measurement size chart below is a guide only, please choose the size closest to your own body measurements.

LADIES

The waist specifications are the natural waist measurements, which have to be considered even though the garments will fit lower.

A. BUST Keep the tape up under arms and around shoulder blades while measuring around the fullest part of the bust. Hold one finger between body and tape.

B. WAIST Hold one finger between body and tape while measuring around waist.

C. HIPS Measure around fullest part of hips (about 20 – 24cm down from waist) while standing naturally.

MENS

A. NECK Measure loosely around neck at collar level, making allowance for comfort.

B. CHEST Keep the tape up under arms and around shoulder blades while measuring around the fullest part of chest.

C. ARM Lay a shirt out flat and measure from centre back neck seam to top of shoulder seam, and then to end of cuff down length of sleeve.

D. WAIST Hold one finger between body and tape while measuring around waist. Measure over shirt at position pants would normally be worn.

E. INNER LEG Measure inside leg (from crotch to hem) of a well-fitting pair of pants.

OTHER CARE INSTRUCTIONS

- When ironing, use a warm iron and recommended steam setting. Otherwise iron inside out or use a cover cloth. (A hot iron will shine the polyester yarn in the fabric).
- We recommend Qualified Professional Laundering for long term care of the Comfort Wool Stretch Suiting garments.
- We recommend for washing, Eco Friendly washing liquid.
- Line Dry. DO NOT TUMBLE DRY your garment.
- We recommend drying in shade. Direct sunlight will accelerate fading of garment.
