## 2009 CATALOGUE

SOPHISTICATED SOLUTIONS FOR YOUR CORPORATE, UNIFORMING & TEAMWEAR REQUIREMENTS

# FIRST WE REVOLUTIONISED CORPORATE LIFESTYLE APPAREL... NOW WE HAVE REDEFINED IT!

---

When we established **GEAR FOR LIFE** over 8 years ago, our goals were simple. We were determined to develop retail quality merchandise for the corporate lifestyle market that would be innovative, of the highest quality and sensational value. We were the first to launch a colour palette outside the norm. We were the first to incorporate mens and ladies co-ordinating styles in the majority of our range. We were the first to focus on textured fabrics that have the highest perceived value. We were the first to launch a range of ex-stock product for those associated with any aspect of the motor industry. We were the first to understand that **YOUR BRAND IS YOUR MOST IMPORTANT ASSET.**

The new range showcased in this catalogue continues the **GEAR FOR LIFE** tradition of innovative “firsts”. Our **GEAR FOR LIFE, The Standard** and **DRI-GEAR** labelled product are stylish, sensational value and will inspire and delight you, your staff and customers. If you believe first impressions are critical... if you believe in the old adage “you get what you pay for”... **IF YOU GENUINELY BELIEVE THAT YOUR BRAND IS YOUR MOST IMPORTANT ASSET...** then it’s time to embrace the **GEAR FOR LIFE** philosophy...

## ENJOY LIFE...LIVE LIFE...GEAR FOR LIFE.

# INDENTS... CREATE IT YOURSELF

---

If you have the time, creating a unique indent product is a fantastic way to enhance your brand and image. Illustrated below is our best selling BS40 Recon Bag developed in a unique colourway. But we didn't stop there... multiple points of embroidery and individual GEAR FOR LIFE zip pullers complete the story.

Imagine what you can achieve if you unleash your creativity. An Indent Order takes longer (approximately 12 - 13 weeks) but is often the best way to develop the product you really want, and of course there are price advantages in all manufacturing processes being completed offshore.

Our apparel range can also be customised to suit your needs. Minimums vary depending on fabrication and style required. Please call us for more information.
